

# Ministry Teams Welcome Sheet

Welcome to Isla Vista! Thank you for partnering with Isla Vista Church. It's an honor to have you. We have compiled this sheet of relevant information to help accommodate your stay with us. Below is list of guidelines, restaurants, coffee shops, grocery stores, and ministry locations.

## ***General Guidelines:***

- Most of our family lives together in various community homes. When visiting these homes please be mindful that people have schedules, work, school, and families. They are most likely excited to meet you and hang out, but just know that they have a daily rhythm and may not always be readily available.
- When staying at the Lomelino's anything extra you can do to help around the property is greatly appreciated. Feel free to talk with Jason and/or Holly if you feel inclined to help.
- You are welcome to enjoy the beaches and parks, just please keep in mind that this is a ministry trip not a vacation.
- Everything is in walking distance. Isla Vista is one square mile. You are welcome to bring a skate board or long board! All of these places are located in Isla Vista, CA 93117
